

# Robert Kunzmann for Green Officer

Have you seen the Free Shelf in the MCR? That was me without being Green Officer. Now just think of all the cool things I could do for you if you elected me!

If you vote for me I plan to take in all your suggestions, no matter how crazy they are, and bring them forward.

You don't like the disposable plastic cups in the canteen during lunch time?

Vote me for Green Officer!

Robert
