

Conor Simpson for *Social Secretary*

I want to run as social sec because I want to maintain a social MCR in which anyone will be made to feel welcome. I want to organise more frequent events including swaps, paintball, wine and cheese, movie nights and many more. I would be open to any suggestions to improve social events run by the MCR.

Below are my pledges:

I commit to organise multiple swaps with other colleges a term.

I will ensure that the budget is spent on inclusive events that appeal to all.

I promise that refreshers week will be incredible.

I will make your voice heard when MCR events are organised

**All the best,
Conor**
