

# MCR Treasurer

## Parsa Akbari

### ABOUT ME

I am a second year PhD student studying Statistical Genetics, I previously studied for my Bachelors and Masters Degree at Downing College.

I really enjoyed being part of the committee last year and I think my experience will be a big benefit to the current committee. As treasurer it is my responsibility that the finances run smoothly. The job includes frequent trips to the bank, meetings with the college Investment and Finance committee, and lots of accounting and receipt filing in the MCR office!

### THREE POINT PLAN

1. Make sure all parties, events, are fully funded so we can have fun!
  - a. Work with other committee members to organise events, major upcoming events include the Burns Night in January and Garden Party in August.
2. Balance priorities and keep the MCR financially viable.
3. Represent financial needs and concerns of students to the college.
4. Ensure there is a hotly contested election for the position of treasurer next year!

### MY EXPERIENCE

I have sat on the student committee for the following positions / societies:

**Cambridge Persian Society**, helped organise private booking of a club for the annual party.

**MCR Treasurer 2016/2017**, helped run the committee

**Physiology of Organisms Student Consultative Committee**, advocated change in lecture handout format to suit student needs.
