

Hey There, Downing MCR!

My name is **Gary Dreyer** and I'm reading for MPhil in International Relations at Downing this year.

In life, as well as in leadership, I strive to be outgoing and open-minded, and these are the skills I hope to bring as your **Social Secretary**. I am passionate about making sure that Downing Postgraduates **get the most out of their experience here as possible**, **cherishing our precious time and recognizing the hefty fees we pay for the privilege of being students here.**

Thus, I pledge to you:

- **Inclusive** events for people of all backgrounds, drinking habits, and personalities
- **Unique** events that make use of our great location — more **BBQs in warmer weather**, **regular bar crawls** in town, and **trips to visit local distilleries and breweries around Cambridge** (there are **LOADS** of them — so much **good gin and beer** to be tried!)
- **Fun & BUDGET FRIENDLY** events that utilize our great MCR space and are open to all (**KARAOKE**, anyone?)
- **Diverse** events that appeal to every interest group, from **visits to different Cambridge museums** to **whiskey tastings** in the MCR

**Downing or Die —
Gary/Garebear/Gazza**
