

# Cam Healy for MCR President

A number of you likely know me by now, but my name is Cam Healy and I'm currently reading for an Mphil in Industrial Systems here at Downing. I am standing for election for President of Downing's MCR for the next year, and I sincerely hope you will elect me. Before coming to Cambridge, I studied maths at a small college called Gonzaga University in the US. Since arriving at Downing, I've been dumbstruck by the amicability, helpfulness, and general kindness of both the MCR committee and Downing students in general.

## As MCR President, I plan to:

- Increase reach of MCR social media
- Increase visibility for lesser-known sport at Downing
- More consistently hold Sunday afternoon tea and cakes
- Add a greater variety of events to MCR calendar that continue throughout the term, such as movie nights and gym climbing outings

## Why should you choose me?

During my undergraduate years at Gonzaga, I founded and presided over a popular film club and acted as a media officer for the university's swing dance club. After I graduated, I was the social chair for my employer's New Professionals Network and a head dog trainer at a local animal shelter. In the short time I've been at Downing, it has already become a second home for me. I would like to ensure that experience is shared by every MPhil and PhD student here.

If you have any questions, please don't hesitate to contact me at [cwh37@cam.ac.uk](mailto:cwh37@cam.ac.uk)

Nominated and Seconded by Kaan Onder and Elizabeth Ulanova
