

DARIUS HUNG

for Sports & Facilities Officer

Hello Downing!!

My name is Darius Hung and I am a first year PhD student in Physics. Having lived in Hong Kong, Toronto and Cambridge, I have found that sports and games can bring people together regardless of language barrier and culture. Adjusting to a new environment can be difficult, therefore I am extremely grateful to the warm welcome from everyone in the MCR. Particularly, through participating in various Downing college sports, it has provided me with a great family of friends. I want to contribute to the already fantastic MCR atmosphere, and I hope that through sports and games, everyone in the MCR can feel welcome and be a part of this large and wonderful Downing family.

My Plan as Sports & Facilities Officer:

- * Foster relationship with SCR through sport, such as through an **annual MCR-SCR match**
- * Sports day with **Oxford sister college Lincoln** (either for MCR only or joint with JCR)
- * **Increase participation** of MCR members in Downing college sport teams
- * Organize **console and board game nights** (Wii, Nintendo Switch)
- * Organize **friendly competitions** (Various sports, Mario Kart, Table Football)
- * Host **meet-ups to watch sporting events** on TV (Tokyo Olympics, NBA, Euro 2020)
- * Encourage others to **try new sports** in a **comfortable environment** (MCR sport specific group chats for **casual hit around or kick about**)
- * Arrange **group sport lessons** for those who are more serious about learning and playing
- * **Bring people together** and hope everyone has a **great time!**
