

Keep Downing Beautiful

For hundreds of years to come.

- I want to make the environment at the heart of all college decisions.
- Run environmental Drop in sessions.
 - Downing MCR keep cups.
 - A swapshop to reduce, reuse and recycle clothes.
 - Meat free Mondays.

For Environmental Rep.

A bit about me...a self confessed tree hugger, wild swimmer and naturist.
I can't get enough of the environment
(hence committed 4 years to a PhD in conservation).
