

# Downing MCR Committee Meeting 2017-06-12

Apologies: Matt

Absent: Pranay Sam Emma

## Officer and Committee Reports

- **Andreas**
  - **GPC:**
    - Mini-ball theme accepted, we can also use the fellow's garden. Consult with College about what we want to do.
    - Veggie survey by JCR: review of cafeteria offerings. Consensus to move to a broader survey.
    - Party Booking Form: trying to digitise a number of forms by the Michaelmas term.
    - Bar: Bar Committee Meeting in College. MCR were not attending? Make it clear to Miranda that not everyone that's getting emails.
    - Summer Bar: Problem to find people to work the bar. College want to discuss making it a more formal relationship re: licensing issues, potentially pay? Potentially getting paid?
    - Fresher's Week: are we interested in doing more of the diversity workshops during fresher's week? Action: Christine to lead on looking at scheduling.
- **Tom**
  - **GU**
    - Discussion of fourth-years: draft advice form presented. Considering how you classify fourth years and whether they should be MCR. We're fairly easy-going which I think is a good thing but maybe worth considering costs (e.g. we make a loss on fourth-years: can we perhaps split the fourth year costs?).
- **Dido**
  - Good to start selling jugs of cocktails of drinks? E.g. one for £5/£7.50.
  - Open fortnightly over the summer?
- **Sushmita**
  - Wednesday is meant to be hot! Ice cream day.
- **Bridget**
  - Election night was popular, good job.
- **Christine**
  - Attended CUSU meetings, nothing to report on that front.
- **Parsa**
  - Safe numbers?
