

Downing MCR Committee Meeting 2017-08-07

Treasurer:

Has to budget the mini-ball. Have to book for 2019.

Oxford Swap:

Andreas to get in touch with Lincoln, consider in new academic year.

VP:

Handover document to do. Start sorting out early. Provide a variety of options (including those already in the handover book that we didn't do) so the next committee has a choice -- but make sure to highlight that it is a choice and not an obligation!

Garden Party:

15th September. Some ideas on Facebook already. Nominally it has a theme — probably an uncomplicated one.

- — BBQ Provided by College. But not nice and a bit expensive? Maybe a bit more fancy? Get Toni's Ices in Cambridge. Or something warm like Steak & Honour. Again invite a few other Colleges?
- — Made it a tropical theme. Bar with cocktails.
- — Bitter Moose playing summer songs.
- — Games in the sunken garden.
- — Photo booth (canvas with props).
- — Starts 15:30 to 19:00?
- — Ticket price last year was somewhere between £20 and £25.
- — Aim to have tickets on sale by the end of this week?
- — Wild West
 - — Photo booth (Easy w/ props)
 - — Pony rides!
 - — Horseshoe game
 - — Shooting range?
 - — Stick to sheriffs and horses.
 - — Nanna's van? Tex-Mex
 - — Bitter Moose?
